

Can It Happen Again?

In 1857 one man issued a call to prayer in New York. Only six people came to the first prayer meeting. But he persisted. Ultimately thousands upon thousands came to Christ. The future of America was profoundly impacted.

It is history. Can it happen again?

Today an urgent call for prayer has once again been issued.

On September 1, 2010 the combined ministries of the National Religious Broadcasters are calling Christians across America to 40 days of prayer using 2 Chronicles 7:14 as our guide.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways..."

Will you join us?

The commitment is simple: **"Yes, I will commit to 40 days of prayer for America. I will pray every day at noon using 2 Chronicles 7:14 as my guide."** The result could be supernatural: God says *"...then will I hear from heaven, and will forgive their sin, and will heal their land."*
